## Highlights

Wildlife  
Wentworth Falls

Jamison Valley

You may see wild Eastern Grey Kangaroos in native bushlands at our first stop and you'll be amazed at their size! A two hour walk through changing vegetation takes you into Wentworth Falls. After lunch (included), we walk down the historic Furber Stairs (all 860 of them!) into Jamison Valley through lush World Heritage rainforest. You will see the beautiful Katoomba Falls and the iconic rock formations of the 'Three Sisters'. From the bottom of the Jamison Valley, we jump aboard the Scenic Railway – the world's steepest railway (you'll find out why!) – and take a ride back up to the valley rim. Then relax as we cruise back into Sydney after an action packed day! (L)
