OF

ADVENTURE TOURS AUSTRALIA BERRIMAH, N.T.

FOR THEIR SUPPORT OF THE ADOPT-A-SCHOOL INDUSTRY TOURS, BY PROVIDING THEIR TIME, INDUSTRY KNOWLEDGE AND UNDERSTANDING OF THE IMPORTANCE OF CAREER GUIDANCE FOR YOUTH.

The Adopt-A-School Programme seeks to develop effective grassroots partnerships between schools and local businesses for the benefit of schools, industry and business. The aim of the programme is to build links between businesses, students, teachers and the broader school community, through activities that will increase knowledge and opportunity for careers and further education.

The Industry Tours aim to provide educators with further insight and understanding of the organisation, operation and management of specific industries as well as to identify career and vocational pathways within specific industries.
