HOBART TO HOBART

6 days

★ Cradle Mountain, Tasmania

Harsh, beautiful, untouched – Tasmania feels like a whole other world

- Go wild in Tasmania with a local guide that knows their stuff – like which weeds are tasty or toxic
- Clamber over orange boulders at the Bay of Fires, traverse the epic sands of Henty Dunes and hike lush rainforest trails on this active adventure
- Watch translucent waters lap powder-white sands in one of Freycinet National Park's secluded bays
